
The Press Club of Metropolitan St. Louis 2008 Media Guide and Membership Directory

From the President Alice S. Handelman

The Press Club of Metropolitan St. Louis is pleased to publish the 2008 edition of our Media Guide and Directory as a service to our members and the general public.

Each year, the Press Club provides valuable internships and scholarships to promote young journalists. We also offer a variety of interesting and informative forums on topics of current interest, utilizing local talent to inform and educate the public. We honor one of the greats in our field annually with the Media Person of the Year award and, when appropriate, award the Jack Buck National Media Person of the Year honor. Press Club funds maintain the Media Archives at the St. Louis Public Library with support and administration of library staff. Press Club members serve on the advisory board of the Media Halls of Fame at The Mercantile Library at the University of Missouri-St. Louis.

We hope that you will find this St. Louis Area Metro Area Media Guide and Press Club Membership Directory helpful to access information and contact fellow journalists and other communications professionals. It is also available and updated online to members at our website: <http://www.stlpressclub.org>. For password access, contact Press Club at 636-230-1973.
